

Eddie & The Hot Rods - Do Anything You Wanna do

tom:

Intro: E A Gbm

I'm gonna break out of the city

Leave the people here behind

Searching for adventure

It's the kind of life to find

Tired of doing day jobs

With no thanks for what I do

I know I must be someone

Now I'm gonna find out who

Why don't you ask them what they expect from you ?

Why don't you tell them what you're gonna do

You get so lonely, maybe it's better that way

It ain't you only, you got something to say

Do anything you wanna do

Do anything you wanna do

I don't need no politicians to tell me things I shouldn't be

Neither no opticians to tell me what I oughta see

No-one tells you nothing even when you know they know

They tell you what you should be

They don't like to see you grow

Why don't you ask them what they expect from you ?

Why don't you tell them what you're gonna do

You get so lonely, maybe it's better that way

It ain't you only, you got something to say

Do anything you wanna do

Do anything you wanna do

I'm gonna break out of the city

Leave the people here behind

Searching for adventure

It's the kind of life to find

Tired of doing day jobs

With no thanks for what I do

I know I must be someone
