

Eden - Catch Me If You Can

Tom: **C**

Verso 1:

Of course I'm scared **F**
 Would I be thinking straight if I wasn't **C**
 Of course I'm scared sometimes **F**
 Even if I say it don't phase me **C**
 Or if I say I'm not hazy **G**
 But drowning ain't so bad **F**
 Cos at least you know where you're going **G**
 And were all future bound **F**
 So I guess that's really the same thing

Refrão:

But I always liked the thought of maybe being a runaway **C**
 I could be your lover and you could be my heart ache **F**
 I could sing the songs that we used to sing when we were kids **Am** **G** **F**
 Maybe that could bring us back to before we got stuck in this **Am** **G** **F**

Verso 2:

I want to be like John Dillinger **C**
 Just try and catch me if you can **F**
 And we could drive off in the sunset **F**
 Even if its not the plan **G**
 Cos plans are over rated **G**
 Cos you never really know where you're going **F**
 And the past is always changing **G**
 Ain't been gold since I remembered it that way **F**

Refrão:

But I always liked the thought of maybe being a runaway **C**
 I could be your lover and you could be my heartache **F**
 And I could sing the songs that we used to sing way back when **Am** **G** **F**
 The future wasn't everything and we lived because we loved it then **Am** **G** **F**
 Oh I'm going back **F**
 Catch me if you can
