

# Eden - Crash

Tom: C

Am  
It's been a few years since you've been gone  
Dm C Em  
There's been a few tears, but that was years and years ago  
F G Dm C  
Yeah, I grew up to be exactly what you wanted  
F Am G  
Yeah, I been living out the dream that you dreamt up  
Am Em C  
It's been a few years with more to come  
Dm C G  
It's been a few years since I've felt sure of what I want  
F G Dm  
And I woke up today and found that you were waiting  
C F G  
Here for me and I thought  
F Am G  
Woah, old friend it's bittersweet  
F Am G  
How could you do this to me?  
F Am G  
How could you do this to me?  
F  
'Cos you are not who you think you are  
Am G  
There's no grain on these brown eyes, but they can be  
F  
Green if they really want  
Am G F  
And I can bend your words so they say exactly what hurts the  
most  
Am G  
But silence is better than fake laughs or faking were  
F  
Always up, loose grip  
Am  
The world bends around you  
G  
And living through cracked screens  
F  
We fall fold down to what we want

Am G  
Out of love, we talk through lines, we're made of  
F  
Smoke  
Am  
And just in time, we drift away  
G F  
Diffusing light, confusing times  
Am G  
Growing up, or cascading down?  
F  
Cascading down  
Am G  
I'm hurting now  
Dm F  
But change comes slow  
Am G  
If you hate what's in your head, the fuck would you  
Dm  
Speak your mind?  
Em  
In search of lost time  
F  
Just 21 so I'm young and I'm stupid  
Am G  
Only 16, yeah I think you should've known  
F Am G  
I think you fucked me up  
F  
I think  
Am G  
I think you fucked me up  
F  
And I've got nothing to say to you  
Am Em C  
It's been a few years and I've moved on  
Dm C G  
Couldn't make it disappear, oh I tried so hard to be strong  
F G Dm C  
But I grew up today and faced that I'm not just lonely  
F Am G  
Don't feel much better but I guess that it's a start
