

Eden - Man Down

Tom: A

A7M Dbm Gbm
 Seeing you was so bittersweet I almost died
 A7M Dbm Gbm
 My heart jumped but my head kept screaming: why?
 D E Gbm
 And I almost thought that I could change the past
 D Dbm Gbm D
 And I almost, but that never really lasts

E D
 Oh And I'm shot
 Gbm E
 Oh baby I'm shot
 D Gbm
 But I'm not
 Bm
 Whatever you wanted
 E
 Forever just wanting
 You

Bm
 And I hope you notice
 Gbm
 And could come around
 D
 Cos I always blow it
 E
 And run it into the ground
 Bm
 And silence keeps me frozen
 Gbm
 And you won't make a sound
 D
 So I hope you notice
 E
 Screaming man down

D
 And I'll only say this one time
 Bm
 Your headlines won't get none
 Gbm
 Of my time, yeah I'm lying
 D
 'Cos I still can't find out
 Bm
 Why I'm so divided

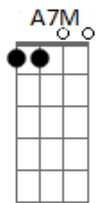

Gbm
 Replay those few days over
 E
 Somehow I'll find it
 D
 Somewhere in your words
 Gbm
 When you leant on my shoulder
 D E
 I might act distant but I swear that it's not over

D
 I don't want to hear it
 Bm Gbm
 But I gotta now, yeah I just gotta know
 Bm Gbm
 Is there a reason, do you care if I'm still breathing
 Dbm D
 Or am I insane?
 Bm
 For thinking we could've made it
 E
 Oh baby we could've made it

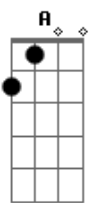

Gbm E
 Oh baby I'm shot
 D Gbm
 But I'm not
 Bm
 Whatever you wanted
 E
 Forever just wanting
 You

Bm
 But you'll never know it
 D
 'Cos I'm just way too proud
 Gbm
 Hide behind my ego
 E
 Block the whole world out
 Bm
 And these words they don't come easy
 D
 And they don't come loud
 Gbm
 So you'll never know it
 E D
 Screaming man down
