

Eden - Man Down

Tom: A

A Dbm Gbm
Seeing you was so bittersweet I almost died
A Dbm Gbm
My heart jumped but my head kept screaming: why?
D E Gbm
And I almost thought that I could change the past
D Dbm Gbm D
And I almost, but that never really lasts

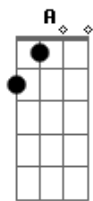

E D
Oh And I'm shot
Gb E
Oh baby I'm shot
D Gbm
But I'm not
Bm
Whatever you wanted
E
Forever just wanting
You

Bm
And I hope you notice
Gb
And could come around
D
Cos I always blow it
E
And run it into the ground
Bm
And silence keeps me frozen
Gb
And you won't make a sound
D
So I hope you notice
E
Screaming man down

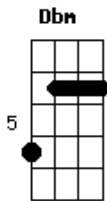

D
And I'll only say this one time
Bm
Your headlines won't get none
Gb
Of my time, yeah I'm lying
D
'Cos I still can't find out
Bm
Why I'm so divided

Gb
Replay those few days over
E
Somehow I'll find it
D
Somewhere in your words
Gb
When you leant on my shoulder
D E
I might act distant but I swear that it's not over
D
I don't want to hear it
Bm Gbm
But I gotta now, yeah I just gotta know
Bm Gbm
Is there a reason, do you care if I'm still breathing
Dbm D
Or am I insane?
Bm
For thinking we could've made it
E
Oh baby we could've made it
Gb E
Oh baby I'm shot
D Gbm
But I'm not
Bm
Whatever you wanted
E
Forever just wanting
You
Bm
But you'll never know it
D
'Cos I'm just way too proud
Gb
Hide behind my ego
E
Block the whole world out
Bm
And these words they don't come easy
D
And they don't come loud
Gb
So you'll never know it
E D
Screaming man down
