

Eden - Times Like These

Tom: G

It's been a long long time^E
 We've come a long long way^{Abm}
 No i can't see the finish line^{A Dbm}
 Scared half to death but thats ok^{A Am}
 It's been a long long night^E
 After a long long day^{Abm}
 My body's aching but i know somehow^{Gbm E}
 My feet will find a way^{A Am}
 So i'll sing it loud^A
 In the silence^B
 And give the best of me^{Dbm Abm}
 Till it's alright^{Gbm}
 But not over^E
 I will find fight^A
 Like a soldier coming home^{B A}
 In the silence^B
 But i have never felt so free^{Dbm Abm}
 The future's so bright^{Gbm}
 This is our time^E
 Imma live it how i dream^{A Am}
 It's been a long long time^E
 Since i've seen sunlight through the rain^{Abm}
 Since i've felt love or truth, it's strange^{Dbm}
 But i left bliss back where i came^{A Am}
 And i wont lie^E
 It's taken so long to feel ok^{Abm}
 And now the world is screaming out for more^{Gbm E}
 But i dont feel the same^{A Am}
 But we'll be alright^E
 Cos it's all we know^A
 And it's only change^{Dbm}
 Sun sets on the old^B
^{Abm A}

But we're nocturnal anyway^{Dbm}
 And this is how we know^B
 It'll be ok^A
 These are the times we will hold^E
 When our memories fade^A
 Cos it's all we know^{Dbm}
 And it's only change^B
 Sun sets on the old^{Abm A}
 But we're nocturnal anyway^{Dbm}
 And this is how we know^A
 It'll be ok^B
 These are the times we will hold^A
 These are the times we will hold^A
 These are the times we will hold^B
 In the silence^{E Dbm}
 When i've given all of me^{Gbm}
 And it's alright^{Abm}
 That it's over^A
 And i've found fight^{B A}
 Like a soldier coming home^B
 In the silence^{Gbm Dbm}
 But i have never felt so free^{Gbm}
 The future's so bright^{Abm}
 This is our time^{A Am}
 And i'll live it how i dream^{E A}
 because it's all we know^{Dbm}
 And it's only change^B
 Sun sets on the old^{Abm A}
 But were nocturnal anyway^{Dbm}
 And this is how we know^A
 It'll be ok^{Dbm}
 These are the times we will hold^{A Am}
 When our memories fade^A
 Sometimes it takes times like these to know^{E Am B}
 You're in the right place
