A primeira vez que eu vi São Paulo  
 Da primeira vez que eu vim São Paulo  
 Fiquei um tempão parado  
 Fiquei um tempão parado  
 Esperando que o povo parasse  
 Esperando que o povo parasse  
 Enquanto apreciava a pressa da cidade  
 A praia de Iracema  
 Veio toda em minha mente  
 Me banhando da saudade  
 Me afogando na multidão

Eu vim São Paulo  
 Se afogando na multidão  
 Eu vi São Paulo  
 Janeiro e nada  
 Fevereiro e nada  
 Março e água grande despencou  
 Um aviso de chuva me chamou  
 Março e água grande despencou  
 Um aviso de chuva me chamou  
 Adeus São Paulo  
 Está chovendo pras bandas de lá  
 Também estou com pressa  
 Está chovendo pras bandas de lá
