

Edu Ares - Meu Crush

tom:

Intro: Eb Cm Eb A7 E7

A chuva cai la fora e eu aqui

Tentando escrever uma canção

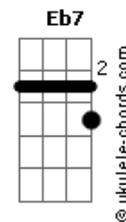

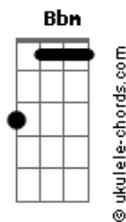

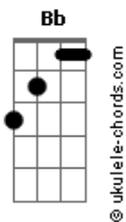

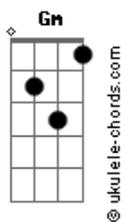

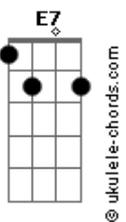

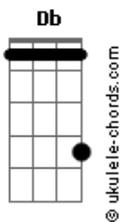

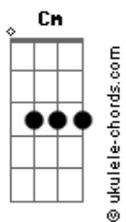

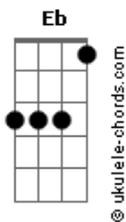

Para te dizer o quanto eu amo

O quanto eu amo você o quanto eu amo

Lembro quando você entrou aqui na minha vida

Você e mina e a mina

Acordes

Que me deixa louco

Da boca assanhada corpo sedutor

Não troco por nada

Não troco por nada

Vem, I love you very much baby vem pra ser meu crush

Eternamente

Vem, I love you very much baby vem pra ser meu crush

Eternamente
