

Edu Falaschi - Skies In Your Eyes

tom: C

The wiseman tells a story
That one day was a myth
Forever in glory
The night is over me

Nobleman is calling me
Dreamland was his name
A brand new territory
Where I will call my land

So now I have to go
Please understand
I'll miss you so

And the skies in your eyes
Bring along
Farewell
I'm leaving the fire
Praising the higher
Forever well

And the skies in your eyes
Bring along
Farewell
I'm leaving the liar
Praising the brighter
Forever well
Overseas

One day I will wonder
If we'll meet again
I'll take with me roses
To bring with me your name
Don't cry I will love you
Forever I'll see
Your blue eyes
Caring for me
For all eternity

So now I have to go

Please understand
I'll miss you so

And the skies in your eyes
Bring along
Farewell
I'm leaving the fire
Praising the higher
Forever well

And the skies in your eyes
Bring along
Farewell
I'm leaving the liar
Praising the brighter
Forever well
Overseas

(She said)
When you just find out
The meaning for all your fears
Fly away
