

Edu Lobo - A mulher de cada porto

Tom: C

(Ele)

Quem me dera ficar, meu amor, de uma vez

Mas escuta o que dizem as ondas do mar

Se eu me deixo amarrar por um mês

Na amada de um porto

Noutro porto outra amada é capaz

De outro amor amarrar, ah

Minha vida, querida, não é nenhum mar de ro....sas

Chora não,

Vou voltar

(Ela)

Quem me dera amarrar meu amor quase um mês

Mas escuta o que dizem as pedras do cais

Se eu deixasse juntar de uma vez

Meus amores num porto

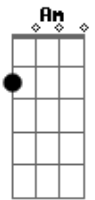

Transbordava a baía com todas as forças navais

Minha vida, querido, não é nenhum mar de rosas

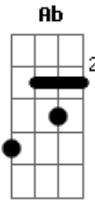

Volta não,

Segue em paz
