

Edu Lobo - Frevo de Itamaracá

tom:

Intro: Bm E7 A7
A7 F E7 Am

[Primeira Parte]

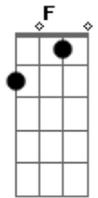

Quando eu cheguei
Na minha praia grande
Minha praia linda de Itamaracá
Varei o dia, revirei a noite
Clareou de novo e eu ficando lá

[Segunda Parte]

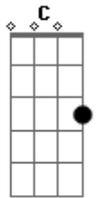

Lá na praia
No meio da praia, no centro do mundo
No raso, no fundo
No claro, no escuro
Da palha, da palma, da praia de Itamaracá
Na areia, no meio da areia e alegria
Pensasse e quisesse faria
Seria o que fosse pra ser

Na tarde
Rumando pra lá do viveiro
Sem tempo, nem hora ou dinheiro
Morando nas ondas do mar
Varei o dia, revirei a noite
Clareou de novo e eu ficando lá

[Terceira Parte]

Lá na praia
No meio da praia, no centro do mundo
No raso, no fundo
No claro, no escuro
Da palha, da palma, da praia de Itamaracá
Na areia, no meio da tarde esquecido
Sonhando acordado, perdido
Com medo do dia acabar
Com medo do dia acabar
Com medo do dia acabar
