

Eduardo Bertozzi - Love For The First Time

tom:

Intro: C Am Em
C Am G

[Primeira Parte]

Finally it's winter
My heart is splintering
I just wanna tell you how I'll love you and how I'll miss you
I don't care how it ends
As long as I am with you
'Cause stars will bright and the love will fly

[Refrão]

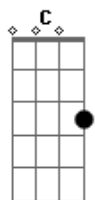

So please don't go
You're gonna be my girl
Don't forget my name
'Cause I won't let you go
Won't let you go

(C Am Em)
(C Am Em)
(C Am Em)

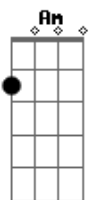

[Segunda Parte]

She said it will be okay
But I know that I won't
I just want to stay with you
And the reason that I want
To know where you belong
Is simply that I will love you
