

Eduardo Cruz - De Peito Aberto

tom: A

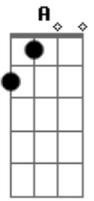

A?gua que jorra do corac?a?o de Jesus
 Como fonte de vida Misericordia pra no?s
 Sangue vertido por amor, na cruz
 Eu Creio em vo?s eu confio em vo?s
 Que podés me curar

Pois o teu amor e? maior que o meu Senhor
 De Peito aberto tu esta?s pra me curar
 Pois reconheço que errei, vem me afagar
 Pois sem o teu amor, na?o posso mais continuar
 Enta?o vem Senhor, vem Senhor
 Me curar
 Me curar
