

# Eduardo Gudín - Velho Ateu

Tom: G

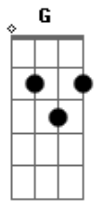

Um velho <sup>Em</sup> <sup>Am</sup> ateu  
 Um bêbado cantor <sup>D7</sup>  
 Poeta <sup>G</sup> <sup>B7</sup>  
 Cantava esta canção <sup>Am</sup> <sup>C7</sup> <sup>B7</sup> <sup>Em</sup> <sup>B7</sup> seresta  
 Se eu fosse Deus

A vida bem que melhorava  
 Se eu fosse Deus  
 Daria aos que não <sup>C7</sup> <sup>B7</sup> <sup>Em</sup> tem nada  
 E toda janela fechava <sup>Bm</sup> <sup>Em</sup>  
<sup>Dm</sup> <sup>G7</sup> <sup>C</sup>  
 Pros versos que aquele poeta cantava  
 Talvez <sup>Gbm</sup> <sup>B7</sup> <sup>Em</sup> <sup>Em</sup> por medo das palavras  
 De um velho de mãos <sup>Gb7</sup> <sup>Am</sup> <sup>B7</sup> desarmadas
