

Edward Cliff - I'll Never Walk Alone Again

Tom: **D**

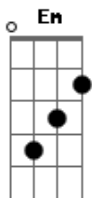

D
I can remember that summer day
A7 **D**
When we said goodbye
D **Em**
Because I need you this time more
A7 **D**
To find my away
Em **A7** **D**
I have been alone in my life
Em
You have been alone
A7 **D**
I don't know where
D **Em**
I can remember every time we loved
A7 **D**
How much love we gave

And when i'm walking
Em
In the rain by your side
A7 **D**
Like a blind I go
Em
There is a fog around me
A7 **D**
And I'm feeling cold
Em
I see a shadow on the bridge
A7 **D**
It's like your face
Em
But when I get near
A7 **D**
Anybody there
Em **A7** **D**
One day I'll find your hands
Em **A7** **D**
And after I'll never walk alone again
