

Eels - Not Ready Yet

Tom: **D**

(com acordes na forma de **G**)
 Capotraste na 7ª casa
 Off Beautiful Freak.
 Tabbed: Mark Lynch

Any additions/corrections let me know.

Capo 7th Fret (kinda awkward without it!)

This is the intro riff, but it's played through most of the song. I'm not sure what the chords being played are but **Em Bm D** seems to work.

A very rough jab at the solo

there's a world outside
 and i know 'cause i've heard talk

in my sweetest dream
 i would go out for a walk

but i don't think i'm ready yet
 i'm not feeling up to it now
 just not that steady yet
 and i don't need you telling me how

there's some happiness
 and my stone face cracks again
 maybe sometime sooner or later

but i don't think i'm ready yet
 i'm not feeling up to it now
 just not that steady yet
 and i don't need you telling me how

so if i leave my room
 don't you tell me to lighten up
 maybe sometime sooner or later

but i don't think i'm ready yet
 i'm not feeling up to it now
 just not that steady yet
 and i don't need you telling me how
