C C Bb A  
I never thought that I could be so bold  
Dm Dm G7 G7  
To even say these thoughts aloud  
C C Bb A  
I see you with your man, your eyes just shine  
Dm Dm G7 G7  
While he stands tall and walking proud  
C C Bb A Dm  
That look you give that guy, I wanna see  
Dm G7 G7  
Looking right at me  
C C Bb A Dm  
If I could be that guy instead of me  
Dm G7 G7  
I'd never let you down  
C C Bb A  
It always seems like you're going somewhere  
Dm Dm G7 G7  
Better than you've been before  
C C Bb A  
While I go to sleep and I dream all night  
Dm Dm G7 G7  
Of you knocking at my door  
C C Bb A Dm  
That look you give that guy I wanna see  
Dm G7 G7  
Looking right at me  
C C Bb A Dm  
If I could be that guy instead of me  
Dm G7 G7 C  
I'd be all I can be, I'd be all I can be

I'm nothing like what I'd like to be  
Dm Dm G7 G7  
I'm nothing much I know it's true  
C C Bb A  
I lack the style and the pedigree  
Dm Dm G7 G7  
And my chances are so few  
C C Bb A Dm  
That look you give that guy I wanna see  
Dm G7 G7  
Looking right at me  
C C Bb A Dm  
If I could be that guy instead of me  
Dm G7 G7  
I'd give you all I got  
C C Bb A  
I never thought that I could be so bold  
Dm Dm G7 G7  
To even say these thoughts aloud  
C C Bb A  
But it, let's say, it won't work out  
Dm Dm G7 G7  
You know where I can be found  
C C Bb A Dm  
That look you give that guy I wanna see  
Dm G7 G7
