

Efrahim Maia/Edeilton - Ilha

tom:

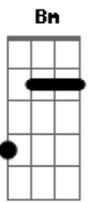

O amor é como um rio
 Cheio de segredos
 E as voltas desconhecidas
 Alimentam nossos medos
 E nas águas bem profundas
 Onde há escuridão
 Pode haver muita alegria

Ou somente uma paixão
 Saber nadar pra se salvar
 Da dor da solidão
 Saber chorar pra não guardar
 Mágoas no coração
 Saber viver pra não se ver
 Em uma armadilha
 Saber sorrir pra não sentir
 A angustia de uma ilha
