Where we can take a dozen worries and leave 'em there

Nothing falls, nothing fades, nothing withers away, mmm

F C Bbadd9  
I was thinking 'bout space and not the one between us  
[Refrão]

F Am  
Maybe, in another world  
Bbadd9  
Where I own that I'm jealous, and I did some damage to us

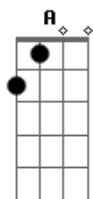

F Am  
Maybe we will never know  
Bbadd9  
'Cause the truth is on silent, but our egos are talking loud  
Dm C Bbadd9  
You hit where it hurts 'cause I gave you the bullets, mm

Maybe in another world, mmm

You're done with your things, I'm done with my things  
Bbadd9  
Know there's a place  
When we're offbeat, we're finally in sync

F Am  
Where I feel okay and I feel no pain  
Bbadd9  
And all my resentment got nothing to say
