

EJAE - In Another World

tom:

A

[Primeira Parte]

A E D
I was thinking 'bout space and not the one between us
A E Dbm
Where we can take a dozen worries and leave 'em there
Gbm E A
Nothing falls, nothing fades, nothing withers away, mmm

A E D
I was thinking 'bout space and not the one between us

[Refrão]

A Dbm
Maybe, in another world
D

Where I own that I'm jealous, and I did some damage to us

A Dbm
Maybe we will never know
D

'Cause the truth is on silent, but our egos are talking loud

Gbm E D
You hit where it hurts 'cause I gave you the bullets, mm
Gbm E D
Maybe in another world, mmm

[Segunda Parte]

A Dbm
Swear there's a world
Dbm

You're done with your things, I'm done with my things

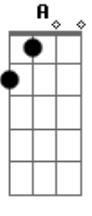

D
Know there's a place

When we're offbeat, we're finally in sync

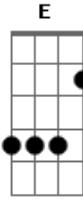

A Dbm
Where I feel okay and I feel no pain
D

And all my resentment got nothing to say
