

Elaine Altini - Como Gota D'água

Tom: D

Como mudar?
 Quando uma gota d'água nos mostra que é preciso aprender a nadar
 Virando desejo, se transformando em mar, fazendo sonhar

A imensidão, o medo, o imprevisível
 Ficar atracado ao porto, sem ter coragem de enfrentar as ironias do oceano,
 Morrendo aos poucos

Vêm, ajuda!
 Me dê a coragem que eu preciso pra me sentir vivo
 Vêm, ajuda!
 Supere comigo as ondas
 Me ensine a nadar, me ajude a voar, quero viver!

Quando mudar?
 Quando mudar?

Ficar vivendo de sonho, sufocado pela realidade, alimentando-se de ilusão

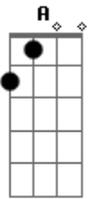

Sem forças pra revirar o que se tem no coração

A imensidão, o medo, o improvável
 Ficar como um selo colado em uma carta jamais enviada
 Mantendo a vida e um sonho guardado

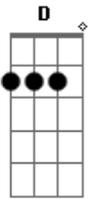

Vêm, ajuda!
 Me dê a coragem que eu preciso pra me sentir vivo
 Vêm, ajuda!
 Supere comigo as ondas
 Me ensine a nadar, me ajude a voar, quero viver!

Vêm, ajuda!
 Me dê a coragem que eu preciso pra me sentir vivo
 Vêm, ajuda!
 Supere comigo as ondas
 Me ensine a nadar, me ajude a voar, quero viver!
