

Elaine de Jesus - Pearl

tom: E [Intro] Gbm A E E E

[Refrão 1]

Your life's a treasure, a hidden pearl in the sea
 It is so precious only God knows how to keep it
 Safe in His hands
 Here in this world it's not where you belong
 A better place that Jesus has prepared
 Is waiting for you

[Primeira Parte]

God has set you high above all things
 The Lord will place you as the head and not the tail
 Wherever you may go
 All His promises will be fulfilled at His will
 If you say you trust Him, He is faithful
 He won't forsake you

[Pré-Refrão 1]

Even when all things seem so impossible
 God still has a greater plan to be unfolded
 He'll provide for you and hope in God you'll be restored
 Even if the trees shall bear no fruits in season
 And the crops of land are washed away
 God will grant you full exceeding blessings
 From up on high

[Refrão 1]

[Segunda Parte]

He'll provide for you no matter what your need is
 He'll be there for you in moments of despair

Call out to Him
 Just believe in Him, He is the great I Am
 Your redeemer, your provider, your defender
 Shield and protection
 [Pré-Refrão 2]
 Even when all things seem so impossible
 God still has a greater plan to be unfolded
 He'll provide for you and hope in God you'll be restored
 Even if the trees shall bear no fruits in season
 And the crops of land are washed away
 God will grant you full exceeding blessings
 From up on high
