

Elaine Ribeiro - Raça Brasileira

Tom: G

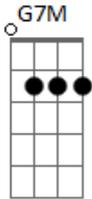

..Eu sou barro, eu sou chão
 Eu só pó, eu sou poeira
 Sou filha desse torrão
 Eu sou a raça brasileira
 ...Eu moro no pé do morro
 Que fica ao lado de uma favela
 É tão perto que eu acho

Que eu faço parte dela
 É lá que eu bato o cavaco
 E no partido alto sou considerada
 Sou o retrato cantado
 Do samba cadenciado
 Minha filôsofia é cantar
 Os meus versos com simplicidade
 É provar que o morro
 Também tem direito a felicidade
