

Elba Ramalho - Pátria Amada

tom: E

Vamos colocar na mão do índio

Os botões da informática
Vamos preparar com raio laser

Uma grande feijoa...da

Ela tem futuro

Tem, tem, tem

Ela é o Brasil

Zil, zil, zil

Um surfista indo

A caminho do ano dois mil

Vem, vem ver patriamada

Mistura tuas cores

Põe o pé na nova estrada...da

Mistura pra ver como é
Mistura pra ver se dá pé
Mistura pra ver como é
Mistura pra ver se dá pé

O riso, a dor, o canto
Arco-íris da paixão
A fantasia nua
Da imaginação

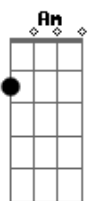

Vem, vem ver patriamada
Mistura tuas cores

Põe o pé na nova estrada...da

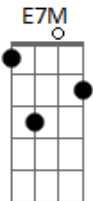

Mistura pra ver como é
Mistura pra ver se dá pé

Mistura pra ver como é
Mistura pra ver se dá pé
