

Élcio Dias & Amorim - Meu Primeiro Amor

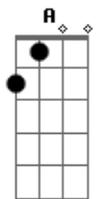

tom:
A

Saudade ^{Cm} palavra triste quando se perde um grande amor
 Na estrada longa da vida eu vou chorando a minha dor ^{Cm}
 Igual a uma borboleta vagando triste por sobre a flor ^G
 Teu nome sempre em meus lábios irei chamando por onde for ^{Ab} ^G
 Você nem se quer se lembra de ouvir a voz deste sofredor ^{Cm} ^{C7} ^{Fm}
 Que implora por teus carinhos só um pouquinho do seu amor ^{Cm} ^G ^C

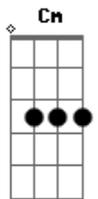

Meu primeiro amor, tão cedo acabou só a dor

Deixou nesse peito meu ^G
 Meu primeiro amor, foi como uma flor que desabrochou e logo morreu ^G ^F ^{G7} ^C
 Nessa solidão, sem ter alegria o que me alivia ^C ^{C7}
 São meus tristes "ais" ^F
 São prantos de dor, que dos olhos caem ^{Fm} ^C ^{Am}
 E porque bem sei, quem eu tanto amei Não verei jamais ^{Dm} ^{G7} ^C ^{Fm} ^C
