G Bm C (C C) C G
(**G G**)
Hey Nikita is it cold - in your little corner of the world

You could roll around the globe

And never find a warmer soul to know
G7 C (C C) C G
(**G-G**)
Oh I saw you by the wall - ten of your tin soldiers in a row
G D (D D) (D D)
With eyes that looked like ice on fire

The human heart a captive in the soul

G Bm C G
Oh no! Nikita you'll never know
(**Bm C Db7 D7**)
G Bm C G
Do you ever dream of me, do you ever see the letters that I write
G D
When you look up through the wire

Nikita do you count the stars at night

And if there comes a time - guns and gates no longer hold you in

And if you're free to make a choice

Just look towards the west and find a friend.
