

Eldade Bondo - Perdoa-te

tom:

Intro: Gbm7 Gbm7 D7M F

[Primeira Parte]

Quando olho para atrás
 O meu sorriso se desfaz
 Minha alma se angustia
 Ao pensar no que já fiz
 Converso com o meu eu
 Não consigo me perdoar
 Até parece um tribunal
 Que só sabe condenar

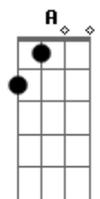

(Gbm7 Gbm7 D7M F)

[Segunda Parte]

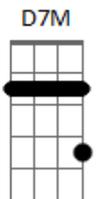

Quantas vezes nos condenamos
 Mas o Senhor já perdoou!
 Quantas vezes nos questionamos
 E a resposta está no ceu!
 Perdemos tempo esperando
 Coisas que o Senhor já concedeu
 Nos fechamos em um quarto
 Com portas abertas para o mal

(Gbm7 Gbm7 D7M F)
