

# Eldade Bondo - Perdoa-te

tom:

( Gbm Gbm D F )

Intro: Gbm Gbm D F

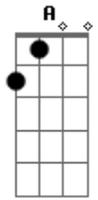

[Segunda Parte]

[Primeira Parte]

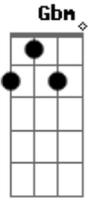

Quando <sup>Gbm</sup> olho para <sup>Gbm</sup> atrás  
 O meu sorriso se desfaz  
 Minha alma se angustia  
 Ao pensar no que já fiz  
 Converso com o meu eu  
 Não consigo me perdoar  
 Até parece um tribunal  
 Que só sabe condenar

Quantas vezes nos condenamos  
 Mas o Senhor já perdoou!  
 Quantas vezes nos questionamos  
 E a resposta está no ceu!  
 Perdemos tempo esperando  
 Coisas que o Senhor já concedeu  
 Nos fechamos em um quarto  
 Com portas abertas para o mal
