                                                                Fh
                                                                                                                                                                                                                                                                                                          Ab7
Intro: Fb
                                                                                                                                                                                                                                                               The tenderness, the silent tears
                                                                                                                                                                                                                                                                                                                                 Ab
                                                                                                                                                                                                                                                                Out here in the pouring rain
I've been thinking it over
                                                                                                                                                                                                                                                                                                               Abm
                                                                                                                                                                                                                                                               Through cold dark waiting days
So many times they say
                                                                                                                                                                                                                                                               I see you standing there
You got it made
                                                                                                                                                                                                                                                               I see the big wheels turning
They never understand
                                                                                                                                                                                                                                                               Ab Ab7 Eb
                                                                                                                                                                                                                                                               Never ending, on and on they go
The answer lies within your soul
                                                                                                                                                                                                                                                                ( Eb Bb Bbm Ab D Eb )
 'Cos no one know which side
                                                                                                                                                                                                                                                               I think I'm going home
The coin will fall
                                                                                                                                                                                                                                                                I think I'm gonna have to
Big wheels turning
                                                                                                                                                                                                                                                               Start again It's rather sad
Baby I know
                                                                                                                                                                                                                                                              Because I've looked around, can't seem to find
Big wheels turning
                                                                                                                                                                                                                                                              Whatever's always rolling through my mind
                              Fm
Baby I know
                                                               Gm
                                                                                                Ab D
                                                                                                                                                                                                                                                               Big wheels turning
Big wheels turning, turning
                                                                                                                                                                                                                                                                                            Fm
                                                                                                                                                                                                                                                               Baby I know
                                                                                                                                                                                                                                                               Big wheels turning
Save it for a rainy day
For when the cold wind blows
                                                                                                                                                                                                                                                               Baby I know
                                                                                                                                                                                                                                                                                                                               Gm
Just to see how they run
                                                                                                                                                                                                                                                               Big wheels turning, turning
I thought they'd know
                                                                                                                                                                                                                                                               Turning, turning
I tried my best, all I could do % \left\{ 1\right\} =\left\{ 1\right\} =\left\{
                                                                                                                                                                                                                                                                ( Eb Eb Cm Bb Eb )
But somehow it was not enough for you
