tom:

Intro: F Dm Bb C

Real human being and a real hero

Back against the wall and odds

With the strength of a will and a cause?

Your pursuits are called outstanding

You're emotionally complex

Against the grain of dystopic claims

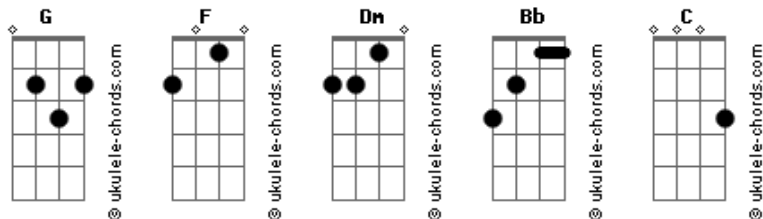

Not the thoughts your actions entertained

And you, have proved, to be

[Refrão]

Real human being and a real hero

Acordes

Real human being and a real hero

Real human being and a real hero

Real human being and a real hero

A pilot on a cold, cold morn 155 people on board

All safe and all rescued from the slowly sinking ship

Water warmer than his head so cool

In that tight bind knew what to do and you, have proved, to be
