tom:
Capo: 2ª casa
Intro: D Em Gbm G Gm

[Primeira Parte]

When I felt like the burden
Was more than I could hold
When the whispers of worry
Overwhelmed my soul

[Pré-Refrão]

You never left me alone
You were there all along

[Refrão]

You are faithful
Why should my heart be afraid?
You are faithful
I know You're not gonna change
You are faithful
Faithful

[Segunda Parte]

I was down to the wire
Hoping You'd come through
Then you stepped in the fire
Like you always do

[Pré-Refrão]

Now I'm convinced of Your love
You are more than enough

[Refrão]

You are faithful
Faithful

Why should my heart be afraid?

You are faithful
I know You're not gonna change
You are faithful
Faithful
