

Elevation Worship - There Is a Cloud

Tom: **D**

Intro: **D G D**

Hear the **G** Word, roaring as **D** thunder
 With a new, **G** future to **D** tell
 For the dry, **G** season is **Bm** over
 There is a **G** cloud, beginning to **D** swell

To the **G** skies, heavy with **D** blessing
 Lift your **G** eyes, offer your **D** heart
 Jesus Christ, **G** opened the **Bm** Heavens
 Now we **G** receive, the **D** Spirit of God

We **G** receive Your **D** rain **Bm A**
 We **G** receive Your **D** rain **Bm A**
 We receive Your rain

Every **G** seed, buried in **D** sorrow
 You will **G** call, forth in its **D** time
G Bm

You are Lord, Lord of the harvest
 Calling our **G** hope, now to **D** arise

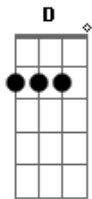

We **G** receive Your **D** rain **Bm A**
 We **G** receive Your **D** rain **Bm A**

Like a **Em** flood; like a **G** flood
 We **Bm** receive Your **A** love When You come
 Like a **Em** flood; like a **G** flood
 We **Bm** receive Your **A** love When You come

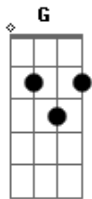

And with **G** great, **D** anticipation
 We **G** await, the **D** Promise to come
 Everything, **G** that You have **Bm** spoken
 Will come to **G** pass, let it be **D** done!

We **G** receive Your **D** rain **Bm A**
 We **G** receive Your **D** rain **Bm A**
 We receive Your rain
