

# Eleven - Kill Me No More

tom:

Intro: F Cm Gm Bbm  
F Dm G C

F Cm  
I swallowed all of you  
Gm Bbm  
Where am I? Not here  
F Dm G G7 C  
Drifted far way from all things clear  
F Cm  
And frozen in the fall  
Gm Bbm  
Looking up at you  
F Dm G G7 C  
Trying to save me with your words but that  
C7 A A7  
Won't do

Dm F  
Before I opened all the doors  
A A7  
And let you in  
Dm F  
All that I wanted from this life  
A A7  
Was to begin  
Dm F7  
Now it's my lie that won't believe me  
Bb Bbm  
Love is what will kill me no more

( F Cm Gm Bbm )

( F Dm G C )

F Cm  
Forever as you said  
Gm Bbm  
Ends where we are now  
F Dm G G7 C  
You who made the sun go out somehow  
F Cm  
Of trust impurely made  
Gm Bbm  
By the slightest tear  
F Dm G G7 C  
All the seams have come undone and you  
C7 A A7  
Not there

Dm F  
Before I opened all the doors  
A A7  
And let you in  
Dm F  
All that I wanted from this life  
A A7  
Was to begin  
Dm F7  
Now it's my lie that won't believe me  
Bb Bbm A A7  
Love is what will kill me Oh why

Bb Bbm  
Love is what will kill me  
F  
Love is what will kill me no more
