

Eleven - Kill Me No More

```
tom:
Intro: F Cm Gm Bbm
F Dm G C
I swallowed all of you
Gm Bbm Where am I? Not here
F Dm G G7
Drifted far way from all things clear
F Cm
And frozen in the fall
     Bbm
Looking up at you
F Dm
                G
                        G7
Trying to save me with your words but that
     A A7
    Won't do
       Dm
Before I opened all the doors
And let you in
       Dm
All that I wanted from this life
       A A7
Was to begin
      Dm
Now it's my lie that won't believe me
                Bbm
Love is what will kill me no more
(F Cm Gm Bbm)
```

```
(F Dm G C)
      Cm
Forever as you said
Gm
Ends where we are now
F Dm G G7
You who made the sun go out somehow
     Cm
Of trust impurely made
By the slightest tear
F Dm G
All the seams have come undone and you
     A A7
    Not there
        Dm
Before I opened all the doors
And let you in
{\sf Dm} F All that I wanted from this life
       A A7
Was to begin
      Dm
Now it's my lie that won't believe me
                Bbm
Bb
Love is what will kill me
Love is what will kill me
Love is what will kill me no more
```
