Eb Gm Eb  
I've been feeling low, so low now  
Tryna do my best, don't know how  
Holding onto hope for life now  
But I become consumed with doubt

Eb Gm  
Carrying the burdens of the world upon my shoulders  
Eb Eb Gm  
Looking for the answers, maybe I'll know once I'm older

Eb Gm  
But please hang on  
Please hang with me  
I'll be back soon  
I'll be back time for me to go

Eb Gm  
I need some room to grow  
Eb Gm  
I feel so alone  
Eb Gm  
No one even knows

I just wanna disappear  
Take me far away from here
