

# Eliana Ribeiro - Grão de Trigo

tom:

Intro: C G F Ab Bb C

Quero abraçar a Tua vontade

Não se faça o meu querer

Mas o que em mim queres fazer

Quero abraçar tua cruz, o que me ordenares

Mesmo que na dor venha sofrer

Se estou em Ti vou renascer

Como um grão de trigo

Que caiu no chão

Que germina, vira fruto

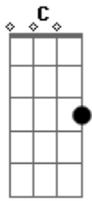

E este fruto se transforma em pão

E alimenta, gera vida

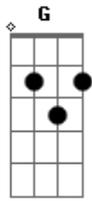

Ó Senhor, assim eu quero ser

Pois morrendo por Ti sei que eu vou viver
