

# Eliane Elias - Detour Ahead

Tom: Eb

Smooth road, clear day  
 But why am I the only one trav'ling this way  
 How strange the road to love should be so easy  
 Can there be a detour ahead  
 Wake up, slow down  
 Before you crash and break your heart  
 Gullible clown  
 You fool, you're headed in the wrong direction  
 Can't you see the detour ahead  
 The further you travel

The harder to unravel the web  
 She spins around you  
 Turn back while there's time  
 Can't you see the danger sign  
 Soft shoulders surround you  
 Smooth road, clear night  
 Oh lucky me that suddenly  
 I saw the light  
 I'm turning back away from all this trouble  
 Smooth road, smooth road,  
 No detour ahead
