

# Elis Regina - O Sonho

tom:

Am

Am

Bb7

Sinto que eu ora salto

Am

Meu foguete some

Bb7

Queimando espaço

Tudo vejo

E abraço a vaidade

Estou morando

pleno céu

Namorando o azul

Ando no espaço rouco

Meu foguete some

Deixando traços

Entre estrelas

Vejo a liberdade

Fotografo todo céu

E revelo paz

Busco cores e imagens

Faltam pássaros e flores

Coração na mão

Corpo solto estou

Entre estrelas

Vou deitar

Neste luar

Indo de encontro

Ao riso

Do quarto minguante

E o sol queimando

A pele branca

Despertando

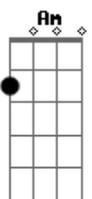

Vejo a cama

E meu amor

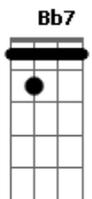

Acordado estou

Choro
