

Elizeth Cardoso - Minhas Madrugadas

tom:

A

Vou pelas minhas madrugadas a cantar

E esquecer o que passou, trago a face marcada

Cada ruga no meu rosto simboliza um desgosto

Quero encontrar em vão o que perdi

Só resta saudade, não tenho paz

E a mocidade que não volta mais

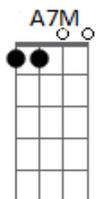

Quantos lábios beijei, quantas mãos afaguei

Só restou saudade no meu coração

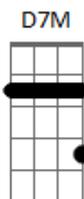

Hoje fitando o espelho, eu vi meus olhos vermelhos

Compreendi que a vida que eu vivi foi ilusão
