

## **Elixir Inc - Too Late**

Tom: G It's always the same old story everytime ow my Em Seems like yesterday It's never been so hard to take I tried to keep in daze It's like head exploding everyday My head was burning all my time was crazy I felt like everything was said and done I wonder if its too late [Solo] C G D The promisse that we've made My whole existence was about to die young You can hide! you can try to survive but the truth Hey, I wanna make a change Waste of time! don't you live in disguise color blue A little help my friend Some hand in time can make my day shine brighter Chains to break! bittersweet is my pain with you A simple plan in pain Dreams to chase! come and feel you're alive Some crazy written things Come back to life to say I'm sorry It's not always too late! You can hide! you can try to survive. but the truth It's not always too late! Waste of time! don't you live in disguise color blue It's not always too late! Oh Yeah Too late! I've always felt so confident It's not always too late! Never want to complicate
