

Elizabeth Nichols - I Got A New One

tom:

B (forma dos acordes no tom de G)

Capostrate na 4ª casa

Intro: (One, two)

My boyfriend and I just got in a fight

He said he doesn't like what I'm wearing tonight

He's losing his mind

"It's too short"

"It's too tight"

Who are you tryna impress?

I don't tell him what to wear or tell him what to do

And if I ever did, ha
I'd start with them boots

He should be grateful that I look this cute

But he said, "It's me or that dress"
So I went and got a new one

And his name is Charlie

Got a handlebar stash and a Harley

Keeps a bottle opener on his car keys

And he likes having fun (Woo-hoo, yeah, he does)

Hates when I say sorry

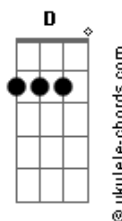

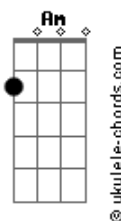

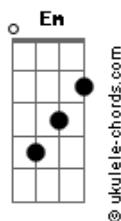

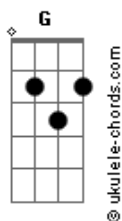

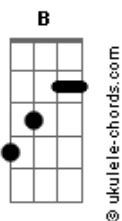

Let's me wear what I want to the party

Thinks low rise jeans are artsy

Yeah, I got a new one

Charlie didn't care what I wanted to wear

Acordes

Said he gets "hot and bothered"
When the other guys stare (woohoo)

He took me out, spun me around
Until the night's end

But then my friend back home
Came passing through the city

Who, I don't think he's cute
And he don't think I'm pretty

But Charlie wouldn't let him go anywhere with me

He said, "It's me or that friend"
So I went and got a new one

And his name is Jackson

It's like Charlie never even happened

He's tall, and he kisses with an accent

And he likes having fun

He looks real dashing

Thinks extroverts are attractive

Only makes me cry when I'm laughing

Yeah, I got a new one

Yeah, I got a new one

Yeah, I got a new one

Yeah, I got a new one

Yeah, I got a new one
