

Ella Henderson - Yours

```
Intro: F C
[Verso]
I wear your winter coat
The one you love to wear
So I can feel in close
         G
To was beyond compare
The moment we can have
You catch me in your eyes
That beauty on my pillow
That haunts me in the night
[Refrão]
And I will find my strength to untame my mouth
When I used to be afraid of the words
But with you I've learned just to let it out
Now my heart is ready to burst
Cause IIIII, I feel like I'm ready for love
     F G C
And IIIIII wanna be your everything and more
And I know every day you say it
```

Acordes

```
But I just want you to be sure
That IIIIII'm yours
[Verse]
If I've been feeling heavy
You take me from the dark
Your arms they keep me steady
So naive of falling apart
[Refrão]
And I will find my strength to untame my mouth
When I used to be afraid of the words
But with you I've learned just to let it out
Now my heart is ready to burst
Cause IIIIII, I feel like I'm ready for love
And IIIIII wanna be your everything and more
 And I know every day you say it
 But I just want you to be sure
      F G Am
 That IIIIII'm yours
F G C
