Just when I thought I got him to fall in love with Tennessee
I should've known better than to take him back to Abilene
I put him right back into her arms
I wasn't a match for that kind of spark

[Refrão]

She's from Texas, I can tell by the way
He's two-stepping 'round the room
And judging by the smile that's written on his face
There's nothing I can do
It doesn't take a crystal ball to see
A cowboy always finds a way to leave
Drinking Jack all by myself
He's choosin' Texas, I can tell

Well, I guess he forgot about the Smoky Mountain rain
Them old Hank tunes, the Memphis blues we used to sing
He always loved Amarillo by Morning
I should've taken that as a warning

She's from Texas, I can tell by the way
He's two-stepping 'round the room

And judging by the smile that's written on his face
There's nothing I can do
It doesn't take a crystal ball to see
A cowboy always finds a way to leave
Drinking Jack all by myself
He's choosin' Texas, I can tell

When I'm eastbound and down and I can't help but cry
'Cause I-40 gets lonelier with every mile
I'll know that his mind wasn't ever gonna change
'Cause his heart still belongs to the Lone Star State

Tocar esse refrão em Palm muted

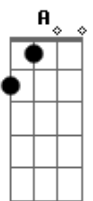

She's from Texas, I can tell by the way
He's two-stepping 'round the room
And judging by the smile that's written on his face
There's nothing I can do, naw, yeah
It doesn't take a crystal ball to see
A cowboy always finds a way to leave
Drinking Jack all by myself
He's choosin' Texas, I can tell, Oh, no
Drinking Jack all by myself
He's choosin' Texas, I can tell

Come on, baby

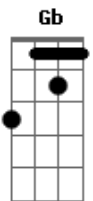

Oh, yeah

Just when I thought I got him to fall in love with Tennessee
