Elle King - No One Can Save You

Tom: C
Intro: Dm F C G

```
Dm          F           C   G
   Don't try to say sorry
Dm          F           C      G
   Don't try to say anything
Dm          F           C    G
   I gave you my everything
Dm             F           C       G
   And you threw it all away, away
```

Refrão:
```
        Am                   E
And I try to build you up
                  F               G
But you just fall, you just fall
      Am              E         F      G
                                           C
And I can't save you no more, no one can save you from
G
yourself
        Am    E       F    G              C       G F
No one can save you, no one can save you from yourself
```

```
Dm         F           C              G
```

```
              I call for you but you never come
Dm          F              C            G
   You broke me up and just left me undone
Dm          F        C          G
   You showed me who I can't be
Dm          F          C              G
   So you enjoy a life of lonely misery
```

Refrão:
```
        Am                E
And I try to build you up
                  F               G
But you just fall, you just fall
      Am            E      F    G                   C
G
And I can't save you no more, no one can save you from
yourself
        Am     E      F    G           C     G
No one can save you, no one can save you from yourself
        Am     E      F    G           C
No one can save you, no one can save you from yourself
```

```
            G   Am   E   F   G C
Do-Do-Do....
