Stripped to the waist
We fall into the river

Cover your eyes
So you don't know the secret

I've been trying to hide
We held our breath
To see our names are written

C **G**
On the wreck of '86
That was the year
I knew the panic was over

G **C**
Yes since we found out
Since we found out

Am
That anything could happen
Anything could happen

C
Anything could happen
Anything could happen

Am
Anything could happen
Anything could happen

C
Anything could

G **C**
G **C**

G
After the war we said we'd fight together
I guess we thought that's just what humans do

C
Letting darkness grow

As if we need its palette and we need its colour

Am
But now I've seen it through

C
And now I know the truth

Am
That anything could happen
Anything could happen

C
Anything could happen
Anything could happen

Am
Anything could happen
Anything could happen

C
Anything could

G **C**
G **C**

C **Am**
Baby, I'll give you everything you need

C
I'll give you everything you need, oh

Am
I'll give you everything you need

G
But I don't think I need you

G)
I know it's gonna be
I know it's gonna be
I know it's gonna be
I know it's gonna be

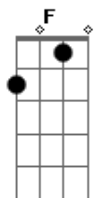

Am)
I know it's gonna be

C)
I know it's gonna be

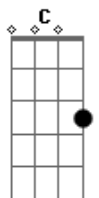

G)
I know it's gonna be
I know it's gonna be
