

Ellie Goulding - Halcyon

Tom: **Db**
(com acordes na forma de)
Capostrate na 4ª casa
Intro:

Verso:
I know it's not over baby I worked this out for sure, it's gonna be
colder, now you've forced open the door, I know you better
than I ever have before, I know you
I know you're a fighter, but you never fought for me, when I was a
shelter, so you're not heading home to me, we could be
closer, we could be closer, we could be

Refrão:
When it's just us, you
you show me what it's like to be lonely
you show me what it feels like to be lost, I
take your hand for you to let it go, let it go, let it
go, let it go || when it's just us, you
show me what it feels like to be lonely
you show me what it feels like to be lost, I
take your hand for you to let it go, let it go, let it
go, let it go it's gonna be
