

Ellie Goulding - Human

Tom: F

(com acordes na forma de Capotraste na 5ª casa C)

Human behave yourself,
you have burst at the seam
let it all fall out open your mouth
often I lie wide awake, think of things I
can make but I don't seem to have the
parts to build them

Human I wonder why you're a better
make than I could ever build or create,
you know not love or hate
I am so scared of what will kill me in the
end for i am not prepared, i hope I will
get the chance to be someone, to be
human, look what we've done, look what
we've done

I would give my life, to be human
I would give my life, to be human

I would give my life, to be human
I would give my life, to be.

Human I'm trying to come clean, I will be
a better me, I will not drink until I'm dead
I'll make the most of it. i don't know what

it's like to be alive, to say goodbye, to
cry a thousand tears because my ears
won't listen

Human I'm trying not to lose my faith in
you. I've sussed out all that I've seen
through, I've sailed an ocean

I am so scared of what I'll look like in the
end for i am not prepared, I hope I will
get the chance to be someone
to be human, look what we've done, look
what we've done

I used to hear it all so loud, the sound of
my heart breaking. The truth is waiting to
be found, I trust that I will take it

I would give my life to be.
