

Ellie Goulding - I Know You Care

Tom: **A**

A
Clinging to me
Gbm
Like a last breath you would breathe
D
You were like home to me
Bm
I don't recognize the street

A
Please don't close your eyes
Gbm
Don't know where to look without them
D
Outside the cars speed by
Bm
I never heard them until now

Gbm
I know you care
D
I know it is always been there
Bm
But there's trouble ahead, I can feel it
D
You are just saving yourself when you hide it

Gbm
Yeah, I know you care
D
I see it in the way you stare
Bm
As if there was trouble ahead and you knew it
D
I'll be saving myself from the ruin
A
And I know you care

A
I used to run down the stairs
Gbm
To the door and I thought you were there
D
Do you shape through the comfort of us
Bm

Two lovers loved out of love

Gbm
Oh, but I know you care
D
I know it is always been there
Bm
But there's trouble ahead, I can feel it
D
You are just saving yourself when you hide it

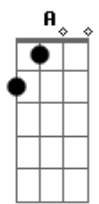

Gbm
Yeah, I know you care
D
I see it in the way you stare
Bm
As if there was trouble ahead and you knew it
D
I'll be saving myself from the ruin

E **Gbm**
And know it wasn't always wrong
D
But I've never known a winter so cold
E **Gbm**
Now I don't warm my hands in your coat
Bm
But I still hope

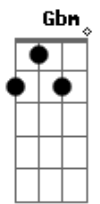

E **Gbm**
'Cause this is how things ought to have been
D
And I know the worst of it wasn't all that it seemed
E **Gbm**
Why can't I dream
Bm
Why can't I dream

D
'Cause I know you care
A
And I know you care
E **A**
I know you care
E **A**
I know you care
E **A**
I know it's always been there
