Intro: C F G

Gotta love this field and the cherry sky  
Under blossom clouds, though it's late July  
You don't even try; still, you look so cool  
Like a cover boy when you light the moon

Oohh

Oohh

Near the countryside but I just forgot  
All the things that matter, I forget a lot  
I get so caught up in the city cloud  
But this place is still my first love

G Am C F Am  
Is there anybody out there waiting for me on my way?  
G Am C F Am

Guess I need to run, take me to the bus  
But don't let me go; no, don't let me on  
Gotta hold me tight, won't put up a fight  
Of course I'll stay, I'll stay the night
