

# Ellie Goulding - Under The Sheets

Tom: **D**

**Bm**  
Like all the boys before, **Bm**  
(Palm mute)  
**Bm**  
You left your blood stain on the floor  
**G**  
You set your sights on him  
**Bm**  
You left a hand print on the door,  
**G**  
Like all the boys before, like all the boys before (boys boys boys boys)  
**Bm**  
This is our luck, baby, running out  
**G**  
Her clothes were never off  
**Bm**  
We still have hours to run about  
**G**  
To scale the map, scale the map, to get us back on track

Refrão:

**G** **Bm**  
Were under the sheets and you're killing me  
**G** **Bm**  
In our house made of paper, your words all over me  
**G** **A** **Bm**  
Were under the sheets and you're killin' meeeeeee  
(palm mute)  
**Bm**  
Like all the boys before, like all the boys, boys, boys(x2)

**Bm**  
In here the world wont bring us down  
**G**  
Our plan is golden  
**Bm**  
Out there a lonely girl could drown  
**G**  
In here were frozen  
**Bm**  
Where did the people go?  
**G**  
My hands are empty  
**Bm**  
You're not the answer I should know  
**G**  
Like all the boys before, like all the boys before  
(whoa, whoa, whoa, whoa,)

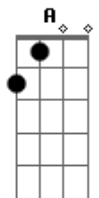

(Refrão)

**Bm**  
We're in a mess baby, we're in a mess babe  
**G**  
Your more is less babe (oh, oh)  
**Bm**  
Were in a mess baby, were in a mess babe  
**G**  
Your more is less babe (oh, oh!)

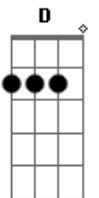

**Bm** **Bm**  
(oh you're killin me, your killin me!!)  
**G** **A** **Bm**  
Were under the sheets and you're killin me

**Bm**  
(killin me, killin me, killin me)  
**Bm**  
Killin me, killin me, killin me
